

PRIMUS -2

The cleaning machine for soles and sole sides PRIMUS-2 is designed for companies in the food processing and canteen industries, and is designed for an effective cleaning of soles and sole sides. Furthermore, the complete vamp can be systematically cleaned.

The brush is activated by a stainless steel button on the handle, which simultaneously releases the cleaning agent and water mixture. The concentration of the cleaning agent can be controlled by the nozzle that comes in adjustable sizes (included in delivery).

Siphon, joints and gaskets and small parts are not included in delivery.

Option

- Wall mounted
- Gross Debris (Drycleaning)
- In combination with wash basin acc. to [HC-PRIMUS-2...](#)
